2016-2017

DECEMBER 2017

SCINTILLA - VII

**The Lord has done marvellous things, holy is His name. Luke 1:49**

**Dear Parents,**

Walt Disney once said, “You can dream, create, design and build the most wonderful ideas in the world, but it requires people to make the dream a reality”. I would like to acknowledge the contribution of the staff, parents and students of our school towards making the year 2017 a successful one. Not a week goes by without us celebrating the success of each student, either in their curricular, co-curricular or extra-curricular activities. As a school community we also treasure the opportunities to pray and worship together through which we experience the message of God’s love in creative and engaging ways. This year we have celebrated many school events successfully. The Annual Day with the theme of “Sacredness of Creation is Sacredness of Life” was lauded by all. The other activities like Swachh Barath, Art and Science exhibitions, etc. were golden opportunities to go one step forward. Mahatma Gandhi says, “By education, I mean an all round drawing out the best in a child – body, mind and spirit”. All roundness is the theme of modern education which recognises that when the child comes to school, she comes for mental, physical, social, spiritual and vocational education and as such she must be educated and nourished in all of them. So dear Parents, let us encourage the children to develop their potentials and gain self confidence.

I thank the Almighty for all His powerful intervention during the year 2017. May 2018 be a fruitful one for each one of us. May the Spirit of Christmas bring you peace,

May the gladness of Christmas give you hope,  
the Warmth of Christmas grant you love.

Wishing you a Merry Christmas and  
a Bright New Year.

If we keep Christ in our Heart, Christmas has no end.

*Sr Jaise John, Principal*
